Resolution #: B23-07-03
Resolution Title: Bill C-29 National Council on Reconciliation

Moved by: Aluki Kotierk
Seconded by: Duane Smith

WHEREAS the current form of Bill C-29, an Act to establish a National Council on Reconciliation has several flaws, including adopting a pan-indigenous approach to reconciliation, mandate and functions which are broad; and

WHEREAS Inuit-specific work on priority reconciliation measures already occurs through the Inuit-Crown Partnership Committee; and

WHEREAS ITK has identified amendments to the legislation which would ensure the mandate of a National Council on Reconciliation; and

THEREFORE, BE IT RESOLVED THAT ITK will consult with Inuit Treaty Organizations to finalize proposed amendments to Bill C-29 provisions related to purpose, functions, membership, as well as the preamble, to improve the draft legislation; and

BE IT FURTHER RESOLVED THAT ITK will work with Inuit Treaty Organizations to confirm the attached amendments prior to September 1, 2023, and will consult with Inuit Treaty Organizations throughout the legislative development process.
